Editorial

Visits - A number of enquiries and requests have been made to the Committee concerning the possibility of arranging visits to places of interest, etc.. We have held a number of very successful visits in the past as many members will recall. In recent times though, there have not been many visits; this is a pity because this type of social activity enhances the enjoyment members already derive from club and associated activities. (For the less fortunate amongst us it also makes the XYL more understanding!).

The Committee gave no little thought to the subject at the last meeting. As a result it was agreed that the first visit this year should be made to the Spalding Mobile Rally, at which there is the added attraction of the bulb fields in full bloom. The details are as follows:-

Venue	-	Spalding Mobile Rally
Date	-	Sunday, 7th, May
Transport	-	Coach
Departure	-	From Chelmsford (location and time to be agreed.)
Cost	-	25p per person (YL's, XYL's, etc. invited)

NFD - Don't forget, 3rd and 4th, June. Of particular note is the rule change indicated by item 6(b) on page 107 of the February issue of Radio Communication. If you have any comments or suggestions to make in respect of this or other items please contact the Chairman in time for the NFD Committee Meeting on 28th, February.
